Training (Mandatory, Statute & Development)

Policy Number 10

Introduction

NOA Healthcare Ltd believes training is the key to professional excellence and that personal development is a continual process which has no end point.

Policy

New Members will undergo a comprehensive assessment of both their training achievements and requirements.

Training undertaken through other bodies will be recognised subject to the approval of that bodies training credentials.

Training needs are a permanent feature of each Members development and performance review.

Each member has an agreed individual training/development plan.

Policy Origin

In House Policy.
